The screenshot shows the Axiom web application interface. At the top, there is a navigation bar with 'DEMO: CLIENT' on the left, a search icon, a star icon, and a 'Main' dropdown menu. The main content area displays a table with columns for 'School Level', 'Primary Grade Level', and 'Class ID'. A modal window titled 'Query Results Actions' is open, showing options for 'Batch Update Records', 'Batch Delete Records', and 'Export' (with sub-options for 'Export to Excel' and 'Export to CSV'). The modal also contains explanatory text for each action. In the background, a table with columns 'Begin Date', 'End Date', 'Grading Periods', and 'Meeting Times' is visible, containing several rows of data.
