

Webinar: Plan For the Best, Prepare for the Trickiest: Capacity Planning and Common Admissions Enrollment Exceptions

Published 09/10/2019

You plan for the numbers you want to hit in your admissions season, but need to be ready to handle admissions and enrollment exceptions. In this webinar, we learned about capacity planning and how to handle common admissions/enrollment exceptions, such as prospects who apply for the wrong year, or a change that comes in the middle of the admissions season.
