

Will marking a student group as "Obsolete" remove students from that group?

Updated Jul 14, 2021

As of July 12, 2021, this "Learn Veracross" site has been deprecated. It will remain live at least through October 1, 2021, but will no longer be updated. Q&A articles are only visible to authenticated users in the Veracross Community; please speak with your implementation or account manager for additional information.

No, designating a student group as "Obsolete" **does not** remove students from that group; in fact, it causes the data to appear messy by listing the group ID in the student's groups! You should always remove students from a student group **before** marking the student group "Obsolete".
