As of July 12, 2021, this "Learn Veracross" site has been deprecated. It will remain live at least through October 1, 2021, but will no longer be updated. Q&A articles are only visible to authenticated users in the Veracross Community; please speak with your implementation or account manager for additional information.

Changing the Filtering Group will not impact any charges that have already been created. Charges are created based on a set of criteria and, once created, are not affected by any subsequent changes to those criteria.
