

Which files can be seen on the 'File Preview' tab of a candidate or application review record?

Updated Jul 15, 2021

As of July 12, 2021, this "Learn Veracross" site has been deprecated. It will remain live at least through October 1, 2021, but will no longer be updated. Q&A articles are only visible to authenticated users in the Veracross Community; please speak with your implementation or account manager for additional information.

The File Preview tab shows any files where the file classification is associated with the 'person,' 'application,' or 'person_admission' tables and is marked as 'Include in Admission Review.'

File Classification settings can be adjusted from the ['File Security' query](#) found on the System homepage.

You can learn more about file security in this documentation article:
