

Do the "Comments" fields on grade records have a character limit?

Updated Jul 14, 2021

As of July 12, 2021, this "Learn Veracross" site has been deprecated. It will remain live at least through October 1, 2021, but will no longer be updated. Q&A articles are only visible to authenticated users in the Veracross Community; please speak with your implementation or account manager for additional information.

No, there is no character limit on "Comments" boxes like the one in the Faculty portal below.

The screenshot displays the Veracross Faculty portal interface. At the top, the page title is "ART2.01: Art II 01" by Mrs. Green. The navigation menu includes "Students", "Attendance", "Gradebook", "Grades & Comments", "Notifications", "Calendar & Lessons", "Website", "Photos", and "Settings". The "Grades & Comments" section is active, showing a student detail view for "Stephanie All-Daniels" in the "Strength" category. The interface includes a list of faculty members on the left, a main content area with a "Comments" field, and a "REVIEWS" section at the bottom. The "Comments" field is highlighted with a red box and a red arrow pointing to it from the right. The "REVIEWS" section shows "0/1" reviews, a "Mark Student Ready For Review" button, and a review by "Frank Woods" with a "Not Ready for Review" status.
