

# Can we change the text or instructions on the “Reset Your Password” page?

Updated Jul 13, 2021

As of July 12, 2021, this "Learn Veracross" site has been deprecated. It will remain live at least through October 1, 2021, but will no longer be updated. Q&A articles are only visible to authenticated users in the Veracross Community; please speak with your Implementation or Account Manager for additional information.

Schools can determine the overall branding of all Login Pages (including the Reset Your Password page) on the Login Page branding configuration link located on the System homepage. Schools are *not* able to adjust the text on this page, however; it is standard across all Veracross schools.
