

# What does the Admission Decision 'Accepted' do?

Updated Jul 15, 2021

As of July 12, 2021, this "Learn Veracross" site has been deprecated. It will remain live at least through October 1, 2021, but will no longer be updated. Q&A articles are only visible to authenticated users in the Veracross Community; please speak with your implementation or account manager for additional information.

Setting the Admission Decision value to 'Accepted' will cause an Enrollment Record to be created for the Year Applying For value on the Application.
